

BOOK THE END OF MEN

RELATED BOOK :

The End of Men And the Rise of Women Hanna Rosin

"Refreshing Rosin's book may be the most insightful and readable cultural analysis of the year, bringing together findings from different fields to show that economic shifts and cultural pressures mean that in many ways, men are being left behind The End of Men is buttressed by numbers, but it's a fascinating read because it transcends them Rosin's genius was to connect these dots in ways no one else has for an unexpected portrait of our moment.

The End of Men The Atlantic

The End of Men. Earlier this year, women became the majority of the workforce for the first time in U.S. history. Most managers are now women too. And for every two men who get a college degree this year, three women will do the same. For years, women's progress has been cast as a struggle for equality.

The End of Men And the Rise of Women by Hanna Rosin

The End of Men: And the Rise of Women by Hanna Rosin review. This, I imagine, will come as something of a surprise to most women on the planet. But Rosin's book teems with examples of the decline of modern man and the rise of woman in terms of money, education, employment and power. Men, she argues, have been the major victims of the recession,

The End of Men by Hanna Rosin The New York Times

The End of Men, by Hanna Rosin. Women around the world, she reports, are increasingly dominant in work, education, households; even in love and marriage. The stubborn fact that in most countries women remain

underrepresented in the higher precincts of power and still don't get equal pay for equal work seems to her a quaint holdover,
