### **John Deere Tractor Leasing Costs Price and other**

Financing a Deere Tractor: Dealer Financing VS. Equipment Leasing. If you are buying a fairly new tractor from a dealer, and you have good credit, you can often finance directly with John Deere. When you qualify through John Deere Financial, you should not consider any other options. Large manufacturers don't offer financing to make money, they offer financing to sell tractors.

### **How much does it Cost to Lease a Used Tractor**

The differences aren't huge - as an example, a 5-year lease on a \$25,000 tractor for someone with excellent credit might run \$574 monthly, while that same person could do a 5-year lease on a \$75,000 tractor for \$1,629 - dividing that \$1,629 by three gives a number of \$543 - so the financing rates are lower by about \$31 monthly per \$25,000 of financing provided in this example.
