### **Overton window Wikipedia**

The Overton window, also known as the window of discourse, describes the range of ideas tolerated in public discourse. The term is derived from its originator, Joseph P. Overton, a former vice president of the Mackinac Center for Public Policy, who, in his description of his window, claimed that an idea's political viability depends mainly on whether it falls within the window, rather than on

### **What We Can Learn From The Collapse Of Glenn Beck's Empire**

If one does even a small amount of research on Beck's past, it is apparent that he has endured countless struggles and internal conflicts. While his comeback from alcoholism is an admirable one which shows that most men are capable of redemption, it can be argued that his downhill spiral began again after the left targeted his family in a New York City park.
