Music and emotion Wikipedia

The study of 'music and emotion' seeks to understand the psychological relationship between human affect and music. It is a branch of music psychology with numerous areas of study, including the nature of emotional reactions to music, how characteristics of the listener may determine which emotions are felt, and which components of a musical composition or performance may elicit certain reactions.

Mairi Macinnes This Feeling Inside Amazon com Music

I heard mairi macinnes singing at the Edinburgh Military Tattoo this year 2000 she was singing a song called Land of Light. I thought that she was brilliant. After the show my mum and dad brother and I met her and she was so lovely to chat to. We bought her solo album This Feeling Inside and we have been playing it ever since. I enjoy listening to it all but my favourite tracks are the Mouth Music

Dan Whitley Music

Young students have difficulty understanding scales so we have created a scale game to facilitate learning these complex theories. The game is called Dots and the White Note Solo. Parents with talented young children are required to do music with the student, not send them to another room to practice with no involvement.
