History Books

History (from Greek - historia, meaning "inquiry, knowledge acquired by investigation") is the discovery, collection, organization, and presentation of information about past events. History can also mean the period of time after writing was invented.

Best History Books 2338 books

Proper nonfiction history books, not historical fiction, about any period, event, area or topic you like. Just well-written, well-researched, informative and interesting books for historians, history students and history enthusiasts. I didn't mean this to be a list of pop history, but I think it's too late now, so you might as well go ahead.
