On this book, I used piece of yellow 80# card stock that was the same weight as the individual pages. Use a bone folder or flat edge of a knife to create a crisp fold in one edge of the paper. This flap is be glued atop the binding on the first and last pages to separate the first page from the cover.

NOTE: It is very important to continually pull the slack out of the thread--the tighter the binding is, the stronger the book! Continue to sew all the rest of the signature in this way, remembering the kettle stitch. If you run out of thread, simply knot a new piece onto in inside the book (tightly) and clip off the "tails".
