Publishing Wikipedia

Publishing is the dissemination of literature, music, or information the activity of making information available to the general public. In some cases, authors may be their own publishers, meaning originators and developers of content also provide media to deliver and display the content for the same. Also, the word publisher can refer to the individual who leads a publishing company or an

The Big 5 Trade Book Publishers in the U S

The "Big 5" is a nickname for the major trade book publishing companies in the United States. Getting published by one of the Big 5 book publishers is the goal of many authors, as being published by a major publishing house is perceived to have some advantages over smaller presses or self-publishing, as well as offering higher quality and status.
