Shirley by Charlotte Brontë Goodreads

Compared with other novels by Charlotte Brontë, Shirley is the toughest one for me to read. Narrated through third person POV, it is not easy to get acquainted with the novel. Another reason is because there are too many characters to remember. However, it is still a distinguished novel from the Victorian era.

Charlotte Brontë's Shirley. Shirley is a good novel though it is not as entertaining in my view as Jane Eyre or Villette. Shirley's best parts are the parts that explore the character's hearts. Caroline's character appears to me very much like Charlotte Brontë's own. Caroline seems the heroine of the novel, not Shirley.
