The Other Boleyn Girl by Philippa Gregory Goodreads

The Other Boleyn Girl was my last read of 2017 and also the biggest surprise. This book has been sitting on my shelf for years; so long that the spine is actually completely faded from sun damage. For whatever reason I just assumed this would be a three star read, which is something I like to avoid at all costs.

The Other Boleyn Girl Philippa Gregory

The Other Boleyn Girl Released 2001 This has to be one of my favourite books of all time for it is the one that made my name, was adapted by the BBC and Hollywood, and established the style that has come to be my 'signature' style: the first person view of history from a lesser known, or perhaps unknown, historical character.

The Last Boleyn by Karen Harper Goodreads Share book

The Last Boleyn was first published 18 years before The Other Boleyn Girl. Both books are about Mary Boleyn, sister of Anne, but whereas TOBG is exciting and dramatic and veers somewhat away from the truth, The Last Boleyn is softer and subtler and seems to be a truer story.
