Quilling Wikipedia

Quilling or paper filigree is an art form that involves the use of strips of paper that are rolled, shaped, and glued together to create decorative designs. The paper is rolled, looped, curled, twisted and otherwise manipulated to create shapes which make up designs to decorate greetings cards, pictures, boxes, eggs, and to make models, jewelry, mobiles etc. Quilling starts with rolling a

Art of Paper Quilling Designing Handcrafted Gifts and

Quilling, or the art of paper filigree doesn't require much in the way of expensive tools. You could even start off with narrow strips from a mini paper shredder (the author's suggestion), plus glue, scissors, tweezers, straight pins, and something to roll the paper strips around, such as a toothpick or an awl.

Arts and crafts Simple English Wikipedia the free

Arts and crafts describes a wide variety of activities involving making things with one's own hands. Arts and crafts is usually a hobby. Some crafts (art skills) have been practised for centuries, others are more recent inventions. William Morris, John Ruskin and others promoted an "arts and crafts" movement in the late 19th century, which popularized the phrase.
