Probate Wikipedia

Probate is the judicial process whereby a will is "proved" in a court of law and accepted as a valid public document that is the true last testament of the deceased, or whereby the estate is settled according to the laws of intestacy in the state of residence [or real property] of the deceased at time of death in the absence of a legal will.. The granting of probate is the first step in the

Transferring Property After Death and Avoiding Probate

The small estate affidavit will only transfer title of the deceased person's homestead. Any other real property owned by the decedent cannot be transferred by using or filing a small estate affidavit. To transfer the decedent's homestead to the distributees, the real property, and a proper legal description of it, must be listed in the affidavit among the deceased's assets.

Massachusetts Probate An Overview Nolo com

Probate is a court-supervised legal process that may be required after someone dies. Probate gives someone, usually the surviving spouse or other close family member, authority to gather the deceased person's assets, pay debts and taxes, and eventually transfer assets to the people who inherit them.
