The Open Graph protocol

Introduction. The Open Graph protocol enables any web page to become a rich object in a social graph. For instance, this is used on Facebook to allow any web page to have the same functionality as any other object on Facebook. While many different technologies and schemas exist and could be combined together, there isn't a single technology which provides enough information to richly represent

Book Reviews www seattlecombatives com

STRICTLY speaking, this isn't a book review. It is a personal endorsement of a selection of books that were written by Bruce Tegner. Tegner, as we pointed out decades ago in our bibliographic study of books on the combat arts, was a much-maligned and by far under appreciated teacher of practical self-defense.. Critics are dime-a-dozen second-handers and all of us who do this
