## **RELATED BOOK :**

### **Match fixing Wikipedia**

In organized sports, match fixing occurs as a match is played to a completely or partially pre-determined result, violating the rules of the game and often the law. The most common reason is to obtain a payoff from gamblers, but teams may also intentionally perform poorly to gain a future advantage, such as a better draft pick or, on paper, a less eminent opponent in a play-off.

### **Association football Wikipedia**

Association football, more commonly known as football or soccer, is a team sport played with a spherical ball between two teams of eleven players. It is played by 250 million players in over 200 countries and dependencies, making it the world's most popular sport. The game is played on a rectangular field called a pitch with a goal at each end. The object of the game is to score by moving the
