Home Again by Kristin Hannah

Home Again 5 / 5 Kristin Hannah does it again! Another wonderful story filled with hope & love. The story was wrapped in a very neat & tidy little package. Some might say, a little too good to be true but I was more than fine with that. In true Kristin Hannah form, this is another "grab the Kleenex!" story.

Home Again is an earlier book by Hannah. It is clear in this book that she is still looking for her voice. The story is good enough, a little like a lifetime movie.
