Adolescence Wikipedia

Adolescence (from Latin adolescere, meaning 'to grow up') is a transitional stage of physical and psychological development that generally occurs during the period from puberty to legal adulthood (age of majority).

Adolescence is usually associated with the teenage years, but its physical, psychological or cultural expressions may begin earlier and end later.

A Reading Life All Things Everett Public Library

Every once in a while, I read a book that must have been made for me. I don't mean one that just aligns with my interests. I mean there's an underground lab somewhere filled with white coated technicians experimenting with plot formula and monkeys with typewriters tapping away, all working on the singular mission to create books perfectly tailored for my taste.
