### **How Professional Day Traders Make Money In The Stock Market**

How professional day traders really make money in the stock market is a question that I get quite frequently. I even announced a Q&A session recently via the WanderingTrader Facebook page and most questions were actually about day trading rather than travel.. There is an aura around Wall Street and the stock market that involves a lot of money.

### **Stock market Wikipedia**

A stock market, equity market or share market is the aggregation of buyers and sellers (a loose network of economic transactions, not a physical facility or discrete entity) of stocks (also called shares), which represent ownership claims on businesses; these may include securities listed on a public stock exchange, as well as stock that is only traded privately.

### **Stock Wikipedia**

A stock derivative is any financial instrument for which the underlying asset is the price of an equity. Futures and options are the main types of derivatives on stocks. The underlying security may be a stock index or an individual firm's stock, e.g. single-stock futures.. Stock futures are contracts where the buyer is long, i.e., takes on the obligation to buy on the contract maturity date
