### **Reservation poverty Wikipedia**

Figures from the 2000 census. Extreme poverty. The extreme poverty rate of a population is the percentage of families earning less than half of the poverty threshold. For a family of four in 2010, the extreme poverty threshold was approximately \$11,000 or less than \$3,000 per person. On large reservations, the extreme poverty rate is as much as six times the national rate.

### **African American family structure Wikipedia**

The American economists Walter Williams and Thomas Sowell argue that the significant expansion of federal welfare under the Great Society programs beginning in the 1960s contributed to the destruction of African American families. Sowell has argued that "the black family, which had survived centuries of slavery and discrimination, began rapidly disintegrating in the liberal welfare state that
