What is biblical theology Bible Questions Answered

Answer: Biblical theology is the study of the doctrines of the Bible, arranged according to their chronology and historical background. In contrast to systematic theology , which categorizes doctrine according to specific topics, biblical theology shows the unfolding of God s revelation as it progressed through history.

Theology of the Bible Archives Redeeming God

The more I study the Bible, the more I begin to wonder how much the Bible has truly influenced my theology, versus how much my theology has influenced my reading of the Bible. The more I study the Bible, the less confident I am in saying that my theology is based on scriptural exegesis.
