Yin Yang and the I Ching Friesian School

Yin & Yang and the I Ching. In India the theory of the three elements in the Chndogya Upanishad led to the theory of the three forces, the gunas, and to the later theory of five elements. In China, the theory of five elements coexisted early with the theory of two forces: and . These can also simply be called the "two forces," (where ch'i, , is the "breath" or vital energy of the body, but
