Urban Small Space and Container Gardening Prepper's Will

Our backyard is too small to have a 20ft-x-20ft garden space tilled up. You live smack in the middle of town and your driveway takes up pretty much all of your yard. As a matter of fact, with all of our mass urbanization, an overwhelming majority of us have very limited space, especially for gardening, but not anymore.

Gardening Wikipedia

Residential gardening takes place near the home, in a space referred to as the garden. Although a garden typically is located on the land near a residence, it may also be located on a roof, in an atrium, on a balcony, in a windowbox, or on a patio or vivarium.. Gardening also takes place in non-residential green areas, such as parks, public or semi-public gardens (botanical gardens or

Allotment gardening Wikipedia

An allotment garden (British English), often called simply an allotment, or a community garden (North America), is a plot of land made available for individual, non-commercial gardening or growing food plants. Such plots are formed by subdividing a piece of land into a few or up to several hundred land parcels that are assigned to individuals or families.
