### **Anniversary Book Anniversaries Wedding Weddings**

The book is nice quality but I wish it could have combined the fresh modern design and wit of the 12-year anniversary book with the length (up to 50 years) of this book. It seemed a little boring, and the cover was a different color (green) than I thought it would be (black).

### **New York Times Anniversary Memory Book NYTStore**

Books for younger married couples would contain fewer anniversary front pages, but we automatically insert at the end famous front pages of world-changing events to make each book substantial with around 80 pages. If ordering for this year's anniversary, be sure to order the day of the anniversary or later to include this year's page.
