The Secret Keeper is a very well written mystery novel and I loved it. Best scene in story: My favorite scene is the one in which young Jimmy follows an even younger Dorothy to the beach. They are in love and Jimmy has a rudimentary camera, He takes a very beautiful picture of Dorothy in a field near the beach and they kiss for the first time.

There's not only the tragic Dolly and Vivien, but the dogged and somewhat queenly Laurel, her sisters and their absent-minded professor of a younger brother. A long book that passes quickly, The Secret Keeper is a study of war and other tragedies, what they can do to people, and how their repercussions can carry on for decades.

SECRET KEEPER's power comes from the strong bond between Asha and her sister Reet, who brave a stinky toilet to find private time to talk. The dialogue is often clunky, however, and the adult characters are universally unappealing.
