Rude Health by Linda Aronson Goodreads Share book

This book very effectively combines two fun genres. On the one hand we have a frantic, deadpan middle grader, (Ian Rude), working feverishly to cope with his move to a new village, his new school, his parents' new business, his insane maths teacher, and his fear either that he is cursed by some Evil Eye or that the "Teenage Energy Vitamins" his Mom makes him take have given him undefined and inconvenient superpowers.
