Tutorial Saving Multiple Images to Target File Size for

In the JPEG/GIF save options window that appears, simply set the Save quality slider all the way to the right to ensure the file quality is as high as possible during the conversion, then set the file size to 126 KB. The Kindle limit is actually 127 KB, but I felt that I would like to have a 1 kilobyte buffer so that there is no chance the Kindle Direct converter will misjudge the file sizes.
