Blindspot

The Book. In Blindspot, Mahzarin Banaji and Anthony Greenwald explore hidden biases that we all carry from a lifetime of experiences with social groups age, gender, race, ethnicity, religion, social class, sexuality, disability status, or nationality. Blindspot is a metaphor to capture that portion of the mind that houses hidden biases.

Blindspot Hidden Biases of Good People by Mahzarin R Banaji

This book is an excellent introduction to the concept of implicit bias and Implicit Association Tests. I've taken several IATs online, and I have some serious work ahead of me to counteract the implicit biases I have. The book is written in very accessible language and makes its point well.
