The Spectacular Now Goodreads Share book

Community Reviews. That's the fascinating issue at the heart of The Spectacular Now, a book whose protagonist is a drunken but charismatically drunken high school senior named Sutter Keely. The Spectacular Now Audiobook by Tim Tharp Audible com

The Spectacular Now reminded me that these people are real and these things are happening to them. I think the saddest thing in the book is that Sutter doesn't even realize what he's doing to himself.
