### **Poland by James A Michener**

Michener's Poland: A Novel is primarily about three families in nine different ages. It was written during the height of the Solidarity movement in Poland and uses a fictional, but quite representative, conflict between Polish union organizers and Communist sympathizers as the bookends between which the rest of the historical fiction is racked.

end, Michener's novel is a survival story. Poland itself struggles throughout the story to survive. Its neighbors repeatedly conclude that Poland should be eliminated. Germany's Teutonic Knights viewed Poland as a barbaric nation and tried to conquer her. Sweden invaded her and instituted a particularly harsh occupation.
