Breakfast Wikipedia

Breakfast is the first meal of a day. The word in English refers to breaking the fasting period of the prior night. There is a strong tendency for one or more "typical", or "traditional", breakfast menus to exist in most places, but the composition of this varies widely from place to place, and has varied over time, so that globally a very wide range of preparations and ingredients are now

Brussels Sprouts Breakfast Hash with Eggs Food for My

The great thing about this recipe is that even though we associate a hash with breakfast, I use this recipe as a side. It combines my love of brussels sprouts with the creaminess of egg yolk into perfection.

Kishka food Wikipedia

One Eastern European kishka type is kaszanka, a blood sausage made with pig's blood and buckwheat or barley, with pig intestines used as a casing. Similar to black pudding, it is traditionally served at breakfast.. Kishkas can also be made with an organ meat, such as liver and various grain stuffings. The cooked kishke can range in color from grey-white to brownish-orange, depending on how
