List of books and articles about In Vitro Fertilization

In Vitro Fertilization in vitro fertilization (v tr , v tr) (IVF), technique for conception of a human embryo outside the mother's body. Several ova , or eggs, are removed from the mother's body and placed in special laboratory culture dishes (Petri dishes); sperm from the father are then added, or in many cases a sperm is injected directly into an ovum, a process known as intracytoplasmic sperm injection.
