Deryni Rising A Novel of the Deryni Katherine Kurtz

Deryni Rising is a fairly early example of historical fantasy and Kurtz did a good job building a fairly complex world for her characters to work in with the political and religious tensions needed to make it feel balanced and 'real'.

Deryni Rising by Katherine Kurtz Goodreads

Deryni Rising is full of court intrigue which is mostly believable. Some of the plot was a little transparent, but this book still presented a nice entryway into a series that has been around for awhile and seems to have a solid fan base.

Deryni Rising Chronicles of the Deryni Series 1 by

This trilogy (Deryni Rising, Deryni Checkmate, High Deryni) is quite good if considered as a "young adult" book. As a teen it held me completely rapt, what with coming of age, religious conflict, unreasoning prejudice, and a bit of romance.

Deryni Rising TBA Preview Sci Fi Movie Page

Deryni Rising is the first of several Deryni novels Kurtz wrote. Others include: High Deryni , King Kelson s Bride , In the King s Service and Childe Morgan . No doubt Columbia would want to turn them into movies as well if the first movie makes some money at the box office.
