Cursive Wikipedia

Cursive (also known as script or longhand, among other names) is any style of penmanship in which some characters are written joined together in a flowing manner, generally for the purpose of making writing faster. Formal cursive is generally joined, but casual cursive is a combination of joins and pen lifts. The writing style can be further divided as "looped", "italic" or "connected".

How Cursive Writing Uniquely Helps Brain Development

In an age of keyboards and touch-screens, some might argue that teaching cursive is a vestigial nicety in today's classrooms. Even handwriting, much less cursive writing, is neglected in the national curriculum guidelines

supported by 45 states at the end of 2012.. Many educators and scientists, however, are railing against the trend.

Cursive Fonts Cursive Font Generator

Cursive fonts simply emulate cursive handwriting, in which letters are usually connected in a slanted and flowing manner. However, for different languages, cursive writing can mean differently, for example, for eastern Asian languages like Chinese, cursive writing focuses more on the formation and connectedness of strokes within an individual character while for Latin, Cyrillic and Arabic
