Never Have I Ever The Lying Game 2 by Sara Shepard

Unfortunately, I cannot say the same for Never Have I Ever (Book #2) as it fails to continue the fast-paced action and adventure one hopes for in these types of mystery/romance books. It continually bothers me to see not only Pretty Little Liars but also The Lying Game series' dragged out over so many installments.

Never Have I Ever My Life So Far Without a Date by

Jan 13, 2014 rated it it was amazing. Never have I ever related so well to the narrator of a non-fiction book. And right now, this week of this month this year, from the very day I started it (okay like three days ago) to the day I finished it (three minutes ago) was the absolute perfect time for me to read it.
