List of conspiracy theories Wikipedia

Many unproven conspiracy theories exist with varying degrees of popularity, frequently related to clandestine government plans and elaborate murder plots. Conspiracy theories usually deny consensus or cannot be proven using the historical or scientific method and are not to be confused with research concerning verified conspiracies such as Germany's pretense for invading Poland in World War II

How Conspiracy Theories Work Veronica Sicoe

Speaking of conspiracy theories, I must admit I meanwhile have serious doubts about the dedicated proponents of the Electric Universe theory. Particularly about their disturbing obsession with its authority figure Wallace Thornhill and his book (which kinda reminds me of Zecharia Stichen and his masterpiece). Also, something just

isn't right about their aggression toward mainstream
