Cartel Wikipedia

A cartel is a group of apparently independent producers whose goal is to increase their collective profits by means of price fixing, limiting supply, or other restrictive practices. Cartels typically control selling prices, but some are organized to control the prices of purchased inputs. Antitrust laws attempt to deter or forbid cartels. A single entity that holds a monopoly by this definition

Drug cartel Wikipedia

A drug cartel is any criminal organization with the intention of supplying drug trafficking operations. They range from loosely managed agreements among various drug traffickers to formalized commercial enterprises. The term was applied when the largest trafficking organizations reached an agreement to coordinate the production and distribution of cocaine.
