One room school Wikipedia

Prussia (compare Prussian education system) was among the first countries in the world to introduce a tax-funded and generally compulsory primary education for either boys and girls. In comparison, compulsory schooling in France or Great Britain was not successfully enacted until the 1880s. The state-sponsored system was introduced in the late 18th century and has had a widespread influence

The One Room Schoolhouse Home

Exciting news! The 3rd edition of my book entitled Perseverance, Pranks and Pride - Tales of the One-Room Schoolhouse, is now available as an e-book. It details the stories of many individuals who attended one-room schoolhouses in Canada, both as students and teachers, and is a must-read for anyone interested in the history of education.

Schoolhouse Supporting Home Education in Scotland

Who are we? Schoolhouse is Scotland's national home education charity (SCO26965), which was formed in 1996 and is now a well-established and well respected source of independent information and support for anyone interested in home education.. We aim to provide reassurance that home education is a legal and successful alternative to school, and is widely practised in Scotland.

The Rise of AltSchool and Other Micro schools

As Matt Candler, founder of 4.0 Schools, writes, What makes a modern micro-school different from a 19th century, one-room schoolhouse is that old school schools only had a few ways to teach certainly no software, no

tutors, and probably less structure around student to student learning.
