Book Review High Price by Carl Hart The Boston Globe

At times, High Price reads like two different books that have been forced together. Hart's memoir, especially his description of meeting his now-adult son, is deeply honest and often painful.

High Price Audiobook by Carl Hart Audible com

High Price by Carl Hart is one of the very best audio books I have listened to in the last year. As a reader, I am always intrigued by how others become successful. Given that Dr. Hart grows up in a broken home with minimal positive supports in Carol City Miami exposed to violence and frequent drug use only makes his journey to a tenured professorship at Columbia University more captivating.
