Top Books About Muslim Women ThoughtCo

Unfortunately, most authors who write about women in the faith of Islam know very little about the faith and do not talk to Muslim women themselves to find out about their lives. In this collection of books about women in Islam, you will hear from the perspective of female Muslim authors: researching, evaluating, and sharing their stories and those of their sisters in faith.

List of books and articles about Women in Islam Online

Women's status in Islam has been defined by Islamic texts, the Koran, and the culture of the Muslims. Although the general belief is that Islam is very oppressive towards women, some argue that the Koran declares that men and women are equal.
