In Jeff Kinley's book The Christian Zombie Killers Handbook, he puts a creative spin on communicating the Gospel. It caters to the current cultural zombie craze that is all over the place. This is my favorite part of the book: the way that Jeff communicates the Gospel in reference to zombies. This book is really two books in one.

### **The Christian Zombie Killers Handbook Slaying the Living**

The Christian Zombie Killers Handbook by Jeff Kinley is a book like none I've ever read. It is half a zombie novel and half a Christian living discussion. Every other chapter follows a storyline about a world with a zombie outbreak and the other chapters are Kinley talking to you (the reader) about living a Christian life by "Slaying the Living Dead Within".
