The Great Deformation The Corruption of Capitalism in

David Stockman, author of The Great Deformation, explains how we got here and how warped crony capitalism has betrayed. Probably the best I can offer is to repeat an advertisement I noticed for a Seattle TownHall meeting on Stockman's book which states: "Today's national debt stands at nearly \$16 trillion divided equally among taxpayers, that means each of us owes \$52,000.

The Great Deformation Audiobook by David Stockman

David Stockman was the architect of the Reagan Revolution that was meant to restore sound money principles to the United States government. It failed, derailed by politics, special interests, welfare, and warfare. In The Great Deformation, Stockman describes how the working of free markets and democracy has long been under threat in America
