MBO Management By Objectives Performance Appraisal

The use of management objectives was first widely advocated in the 1950s by the noted management theorist Peter Drucker.. MBO (management by objectives) methods of performance appraisal are results-oriented. That is, they seek to measure employee performance by examining the extent to which predetermined work objectives have been met.

Employee Appraisal Phrases Reliability Dependability

Common themes in performance appraisals focus on employee attitudes such as reliability, dependability, and integrity. Overarching positive comments about super attitudes provide no information regarding behaviors for an employee to continue, while overarching negative comments about terrible attitudes provide no information regarding behaviors for the employee to eliminate.
