The Silk Roads A New History of the World Peter

As a new era emerges, the patterns of exchange are mirroring those that have criss-crossed Asia for millennia. The Silk Roads are rising again. A major reassessment of world history, The Silk Roads is an important account of the forces that have shaped the global economy and the political renaissance in the re-emerging east.

The Silk Road Valerie Hansen Google Books

The Silk Road is as iconic in world history as the Colossus of Rhodes or the Suez Canal. But what was it, exactly? It conjures a hazy image of a caravan of camels laden with silk on a dusty desert track, reaching from China to Rome. The reality was different, and far more interesting, as revealed in this new history.
