The Mule Companion A Guide to Understanding the Mule

This fourth edition of The Mule Companion is a comprehensive book on mules with new photos of many real people and mules doing real mule activities. The Mule Companion has been called an excellent 'mule primer' for those people just getting into mules. However, the book also hosts an in-depth study of why mules do what they do, their idiosyncrasies, training, and problem solving.

Mule deer Wikipedia

The mule deer (*Odocoileus hemionus*) is a deer indigenous to western North America; it is named for its ears, which are large like those of the mule. The several subspecies include the black-tailed deer. Unlike the related white-tailed deer (*Odocoileus virginianus*), mule deer are generally more associated with the land west of the Missouri River, and more specifically with the Rocky Mountains
