### **New Age Wikipedia**

New Age is a term applied to a range of spiritual or religious beliefs and practices that developed in Western nations during the 1970s. Precise scholarly definitions of the New Age differ in their emphasis, largely as a result of its highly eclectic structure. Although analytically often considered to be religious, those involved in it typically prefer the designation of spiritual or Mind

### **One Cosmos One C smos**

If we're going to trace intelligence all the way down to the roots, we need to follow it all the way up to its source, AKA God. Or perhaps in the context of this discussion, it's better to say "O," since God is too saturated with other connotations, emanations, and penumbras.
