### **Persona Wikipedia**

According to Carl Jung and the Jungian psychology, the persona is also the mask or appearance one presents to the world. It may appear in dreams under various guises. People may choose to wear a social mask or "persona" to make themselves appear more socially desirable. This is used to impress members of the opposite sex or to make new friends. People can have multiple personas that they use

### **SparkNotes SAT Physics Explanations**

3. B . You need to apply the right-hand rule in order to solve this problem. Extend the fingers of your right hand upward so that they point to the 0-second point on the clock face, and then curl them around so that they point downward to the 30-second point on the clock face. In order to do this, you ll find that your thumb must be pointing inward toward the clock face.
