Managing Transitions 3rd Edition Making the Most of Change

Managing Transitions 3rd Edition: Making the Most of Change By William Bridges with Susan Bridges I am doing this discussion summary a bit differently than I have with previous books. Bridges work has such broad implications (applications in the personal, church/association, and cultural realms) that it creates a much longer processing piece.

Managing Transitions Summary William Bridges

Managing transitions is really about helping people deal with fear and uncertainty - the key is to build trust and confidence. Everything Bridges says flows from that common sense insight, and seems obvious and necessary once he says it, though it may not seem as evident to you until you read his book.

Managing Transitions Making the Most of Change By William

Managing Transitions: Making the Most of Change . By William Bridges . PART I 5 minutes to read . Chapter 1 It Isn't the Changes That Do You In. It isn't the changes that do you in; it's the transitions. Change is not the same as transition. Change is situational: the new site, the new boss, the new team roles, the new policy.
