Moon Bermuda Travel Guide Paperback amazon com

I like this book. I bought it along with Fodor's, and find the two supplement each other very well. Considerable overlap, of course, but I particularly enjoyed the historical perspective which was superior in this Moon guide.

Bermuda Wikipedia

The first European known to have reached Bermuda was the Spanish sea captain Juan de Berm dez in 1505, after whom the islands are named. He claimed the islands for the Spanish Empire. Unusually, Bermuda had no indigenous population at the time of its discovery, nor at the time of the initial British settlement a century later.

Berm dez never landed on the islands, but made two visits to the

Politics of Bermuda Wikipedia

Bermuda is a parliamentary representative democratic dependency. The premier is the head of government, and there is a multi-party system.. Bermuda is the oldest self-governing British Overseas Territory and has a great degree of internal autonomy. Its parliament held its first session in 1620, making it the third-oldest continuous parliament in the world.
