History of smoking Wikipedia

The history of smoking dates back to as early as 5000 BC in the Americas in shamanistic rituals. With the arrival of the Europeans in the 16th century, the consumption, cultivation, and trading of tobacco quickly spread. The modernization of farming equipment and manufacturing increased the availability of cigarettes following the reconstruction era in the United States.

5 Important Things From History That No One Can Explain

You see, in the mid-1800s (when Egypt-mania really took off in the Western world), white people who marveled at these giant ancient constructs applied their strongest racist science and assumed the Egyptians were pasty Aryan Europeans, specifically because only white people could have the technical ability to build the pyramids. Others theorized that they were black, due to the fact that Egypt
