Wild Justice by Phillip Margolin

Wild Justice - 2000-- Nelson DeMille, bestselling author of The Lion's Game "Wild Justice is what good storytelling is all about. Skillful plotting, good writing, an excellent cast of characters."-- Michael Palmer, author of The Patient "Wild Justice is the scariest book I've read since Red Dragon. I couldn't put it down."

Wild Justice book by Phillip Margolin Thriftbooks

Wild Justice was my first book by Phillip Margolin. After Wild Justice I raced back to read the reviews of his other books and then ordered them. AND I will be watching for his next book! In Wild Justice, Dr. Vincent Cardoni, a surgeon with a disgusting personality and abusive temperament appears to have created a horrifying crime.

Wild Justice book by Wilbur Smith Thriftbooks

Wilbur Smith is an incredible writer. He writes eloquently while providing the reader with an action-packed story. I bought Wild Justice off the new paperback shelf and was disappointed to get home and see that it was actually written in 1979.

Wild Justice Wilbur Smith

Books Wild Justice Ruthless men and a beautiful woman locked in a struggle for power such as few men dream of; it is a novel of treachery and betrayal, of loyalty and courage, of hatred and love.

Wild Justice by Wilbur Smith Goodreads Share book

Wild Justice isn't what one would expect from a Wilbur Smith book. His vast knowledge of the African Continent wasn't tested as he moved his story over the whole world. My impression after the first hundred pages was it would be another Tom Clancy (Rainbow Six) international anti-terrorist squad tale.

Wild Justice Amanda Jaffe Series 1 by Phillip Margolin

Wild Justice is a wild, expertly constructed ride that delivers exactly what it promises. It just might be (and I mean this respectfully) the beach book of the year. It just might be (and I mean this respectfully) the beach book of the year.

Wild Justice by Liz Fielding NOOK Book eBook Barnes

At over 700 pages, I didn't think the book would keep my attention. It did and it was a quick read. Parts of the story were kind of predictable, but not the whole of it. The characters were likable and I'd like to read the sequel to the book, "Wild Lady".
