Positive Discipline by Jane Nelsen Goodreads

One of the concepts repeated in this book is that discipline is not about consequences it is about solutions. The point of discipline, Jane Nelsen believes, is to motivate change, not shame or criticize the child. Nelsen s criteria for effective discipline is as follows: Positive Discipline Criteria 1) Is it kind and firm? (respectful and

Positive Discipline The Classic Guide to Helping Children

For twenty-five years, Positive Discipline has been the gold standard reference for grown-ups working with children. Now Jane Nelsen, distinguished psychologist, educator, and mother of seven, has written a revised and expanded edition. The key to positive discipline is not punishment, she tells us, but mutual respect.

Positive Discipline book by Jane Nelsen Thriftbooks

The book includes concrete examples and focus areas for positive discipline, and explores the long range goals for raising our kids (like what kind of people we want them to be in the end). Since I've started putting the positive discipline principles into practice, I've seen an incredible difference in myself and my son.
