The Lean Startup The Movement That Is Transforming How

The Lean Startup isn't just about how to create a more successful entrepreneurial business it's about what we can learn from those businesses to improve virtually everything we do. I imagine Lean Startup principles applied to government programs, to healthcare, and to solving the world's great problems.

Lean startup Wikipedia

Lean startup is a methodology for developing businesses and products, which aims to shorten product development cycles and rapidly discover if a proposed business model is viable; this is achieved by adopting a combination of business-hypothesis-driven experimentation, iterative product releases, and validated learning.. Central to the lean startup methodology is the assumption that when
